Saïd Business School

Saïd Business School at the University of Oxford blends the best of new and old. We are a vibrant and innovative business school, but yet deeply embedded in an 800-year-old world-class university. We create programmes and ideas that have global impact. We educate people for successful business careers, and as a community seek to tackle world-scale problems. We deliver cutting-edge programmes and ground-breaking research that transform individuals, organisations, business practice, and society. We seek to be a world-class business school community, embedded in a world-class university, tackling world-scale problems.

Oxford MBA Curriculum & Co-curricular activities

This timetable is subject to change

Consulting Development Programme

Advance your career in consulting with a focused training programme based around the hiring processes at top global consulting firms.

It connects theory with practice through a series of workshops, recruiter-led case events and access to online tools. Network at consulting recruiter sessions, providing you opportunities to connect with the best practicing consultants from top global firms.

Global Opportunities and Threats: Oxford (GOTO)

Tackle world-scale problems affecting society at large when you become a part of the GOTO community. Each year, the subject matter changes covering global topics such as big data, water management and the future of work.

Meet faculty from all across the University who will join you in the classroom to convene, debate and reflect on world-scale problems.

Finance Lab

The Oxford Saïd Finance Lab is a tailored financial graduate training programme which is highly respected by global investment banks, finance leaders and recruiters around the world.

By participating in the lab, you will become exposed to senior industry leaders through workshops, networking events, and a series of student challenges at global firms including Bridgepoint Private Equity, Rothschild Global Advisory, and Hermes GPE Private Markets.

Entrepreneurship Project

Develop and pitch your business plan to a panel of venture capitalists. Working in a diverse team, you will develop a full business plan, bringing together expertise from peers within your MBA cohort, as well as experts from range of departments across the wider University.

Student Experiences

"I wanted to be exposed to new ideas and meet people from all over the world. In my class there are 330 students from 58 nationalities who each individually bring a unique perspective to the classroom. Not only am I learning from world-class faculty, but from other students who have experience in many global sectors."

Dima Altabbaa, Syria – 2016/17

Amazon

"The MBA was amazing, it has afforded me the opportunity to build skill sets that are imperative to operating and building businesses on the African continent. Both in class and outside of lectures, I have grown and developed skills and relationships I will take forward for life".

Samkelisiwe Peter, South Africa – 2014/15

Emerging Capital Partners
