2026 Global Corporate Governance Colloquium

National University of Singapore

Friday, 12 June 2026 (09:45 – 17:30 SGT)
 Saturday, 13 June 2026 (10:00 - 18:00 SGT)

About the Event

The Global Corporate Governance Colloquia (GCGC) is a global initiative to bring together the best research in law, economics, and finance relating to corporate governance at a yearly conference held at 12 leading universities in the Americas, Asia and Europe. The 12 hosting institutions are:

Columbia University, Harvard University, Imperial Business School, National University of Singapore, Peking University, Seoul National University, Stanford University, Stockholm University, University of Oxford, University of Tokyo, Yale University and Goethe University Frankfurt (Leibniz Institute for Financial Research SAFE and DFG LawFin Center).

The aim of the conference series is to attract current research papers of the highest scholarly quality in the field of corporate governance. The conferences are primarily 'academic to academic' events with some participants from industry and the public sector including the practitioner partners of GCGC and other invited panelists. Japan Exchange Group (JPX) is a Practitioner Partner.
